

Best Kept Village

News Update

April 2011

As the judging date approaches, the BKV activity is gaining momentum. Two more group litter picks will take place before the end of the month and extra people are expected to participate.

More picks are planned in May when it is proposed to meet at the Village Hall car park at 6.30pm on Friday 6th and Tuesday 17th May.

Further evidence of the breadth of involvement across the generations was highlighted by the school taking their own initiative supervised by teacher Louise Grinter.

The photograph highlights several volunteers working as a team after school to collect litter within the school grounds. As some of this litter was visible from the footpaths passing school, it is another valuable contribution to our BKV efforts and further extends community involvement.

The photograph below shows the effort to find hidden litter under the hedges

Well done to all concerned and further contributions from the school will be reported next month.

The photograph opposite shows members of an older generation attending to the War Memorial which is a focal point within the village.

If you are interested in becoming directly involved with BKV effort, please contact Peter Lawrence (780620) or any member of the Parish Council. Alternatively, just take pride in your own garden and surroundings and put any litter in the bins provided.
