

HAUGHTON COULD BENEFIT FROM THE CHRISTMAS LIGHTS BY ORGANISING PARALLEL EVENTS

An increasing number of Haughton residents decorate their houses each Christmas time, and a number of residents use this time of the year to raise money for good causes.

This event encourages hundreds of visitors to the village.

However, Haughton could raise its profile further by placing Christmas lights outside the Village Hall and running parallel events within the Village Hall.

These could involve:

- The Village Hall opening during the first week of the official Haughton Lights Season, when refreshments, jacket potatoes and snacks could be provided.

- The choir could sing carols on a number of evenings.

Any funds raised could then be split between participating groups.
